

The background of the slide is a photograph of a coastal scene. On the left, a large, dark, rocky headland juts out into the sea. The water is a deep blue-grey. In the middle distance, a small white boat is visible on the water. The foreground shows a rocky shoreline with some greenery. The sky is a pale, hazy blue.

Office of Coast Survey

Dave MacFarland

CS Vision/Mission

Vision

People have the right information to navigate and manage our Nation's waterways.

Mission

Provide the National suite of hydrographic products and services for marine navigation and coastal stewardship.

CS FY 2000 Focus Areas

Data Acquisition

- NOS
- Contractors
- Major data partners
- University of N.H.
Joint Hydrographic
Center
- Non-standard sources

CS FY 2000 Focus Areas

Products and Services

- Paper charts
- Raster charts
- Vector charts
- Update service
- Coast Pilot
- Fast Response

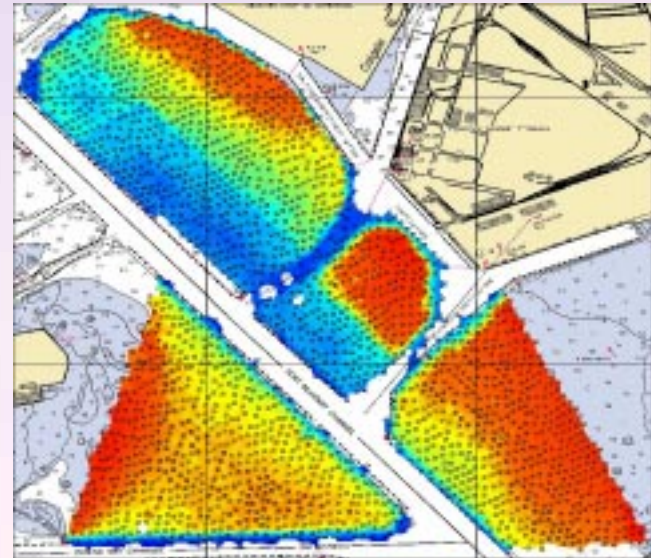

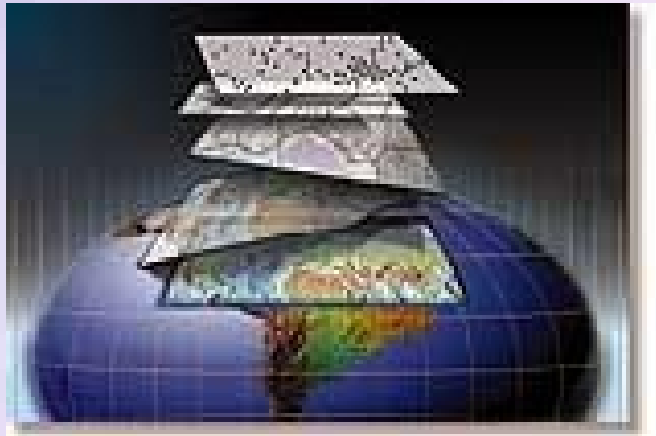

Teams

- Navigational
Managers

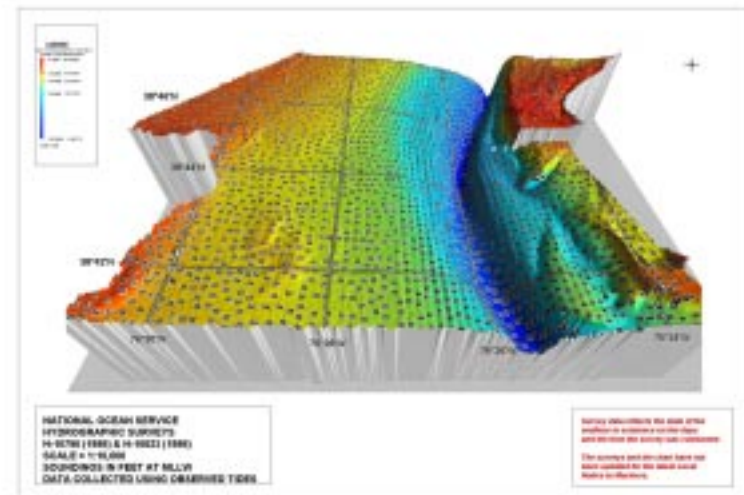

CS FY 2000 Focus Areas

Marine GIS/Spatial Data

Bathymetric Data Base

Cadastral Data Base

The background of the slide is a soft-focus photograph of a sunset or sunrise over a body of water. On the left, a dark silhouette of a cliff with a lighthouse is visible. The sky is a gradient of light blue, pink, and orange. The water in the foreground is calm with some small waves.

CS's Key Message

FOCUS

...without blinders
